ADMISSIONS ESSAY

As you complete the Career Goal Statement, we encourage you to share with us some personal insights about those experiences and influences that have shaped you. Our intent is not to judge you, but rather to get to know you a little better. Write a personal statement indicating how you think the Master of Science degree will enhance your career plans. Try to be as specific as possible in answering the questions below.

Your statement should be between 500-750 words, double-spaced, and typewritten in Microsoft Word format. Save your document once complete. The online application includes a section to upload your statement.

What do you expect to learn and achieve in the Regis University Anderson College, Master of Science degree program?

Discuss the kind of position you anticipate having five years after you earn this degree. What experiences have you had that form the foundation for these career goals?

How will the Master of Science degree enhance your career plans?
